How fundraising works for this trek

By sponsoring me you are helping me raise funds towards the costs of my trek as well as a donation to the Stars Appeal. I must raise at least £3300 to be able to join this trek. At least £1650 (ie 50%) goes to the Stars Appeal, and any money I raise over my £3300 target also goes straight to the Stars Appeal. I am paying for all my equipment, insurance and personal spending, as well as the sign-up fee of £399.
